13 you don't seem to understand the difference between packing the court and filling vacancies.
▼ Packing is what the democrats plan to do if given the opportunity. They are talking about putting 20 something justices on the Supreme Court. That's packing.

Mandatory Masks are virtue signaling devices mandated by people with no virtue.

These people are MAGA, they are principled patriots, they only wear masks if they so choose to do so themselves.

1 What good will that do? Are they gonna camp out for a few hours and leave it cleaner than when they got there after asking nicely for a fair shake?

A million peaceful Trump supporters vs. 100 rioting Antifa militants. Who gets more results?
